Organics Update

Standstone will be collecting Organics beginning **May 1**, until **November 1**. The **ORGANICS** cart is for **YARD WASTE** only, as it will be accepted at our local Highway 43 Waste Commission for composting and ground cover. Below is a list of acceptable items to place in the Organics cart.

YES	NO
Grass clippings Leaves Lake weeds Flower garden clippings Tree prunings & branches less than 1.5" diameter.	Dog feces Cat litter Food scraps Meat scraps Plastic bags Compostable plastic bags Vegetable garden waste

PLEASE NOTE

Any **contaminated carts** will be identified and flagged as contaminants. The contaminated load will be taken directly to Highway 43 Landfill and deposited as **WASTE**, instead of **ORGANICS**. This additional cost will be paid the municipality and may be passed on to the resident.

Vegetable garden waste can go in your waste cart.

Happy Spring to you all.
