Plan 782 2095, Block 3, Lot 5 : 4128 Industrial Avenue (the "Lands")  
M – Industrial District : Town of Onoway**

APPROVAL OF DEVELOPMENT PERMIT

You are hereby notified that your application for a development permit regarding the following:

**CONSTRUCTION OF AN ADDITION TO AN  
EXISTING INDUSTRIAL BUILDING  
(CONSTRUCTION TRAILER – 63.9 SQ. M.).**

has been **APPROVED** subject to the following conditions:

- 1- All municipal taxes must be paid.
- 2- The applicant shall enter into a servicing agreement with the Town of Onoway for water supply and septic disposal service with tie-in to the property line. The Applicant shall contact the Town of Onoway Public Works Supervisor, or his designate, at (780) 967-5338 prior to any works being undertaken.
- 3- That the applicant display for no less than TWENTY-ONE (21) days after the permit is issued, in a conspicuous place on the site or on streets abutting the site, the enclosed notice.
- 4- The applicants provide a certified copy of plan of subdivision to determine all easements and restrictive covenants on the parcel.
- 5- The applicants shall obtain and comply with the requirements, where applicable, from the appropriate authority, permits relating to building, electricity, plumbing and drainage, and all other permits required in connection with the proposed development. Copies of all permits shall be submitted to the Town of Onoway for review.
- 6- The development shall be connected to piped municipal services (sewer and water).

- 7- Arrangements, satisfactory to the Development Authority, must be in place to provide sanitary facilities for the contractors working on the site.
- 8- The applicants shall be financially responsible during construction for any damage by the applicant, his servants, his suppliers, agents or contractors, to any public or private property.
- 9- The applicants shall prevent excess soil or debris from being spilled on public streets and lanes, and they shall not place soil or any other material on adjacent properties without permission in writing from adjacent property owners.
- 10- That all improvements shall be completed within twelve (12) months of the effective date of the permit.
- 11- The improvements take place in accordance with the plans and sketches submitted as part of the permit application.
- 12- The exterior of a building must be completed within 1 year of the date of issuance of a building permit
- 13- The site and improvements thereon shall be maintained in a clean and tidy condition during construction, free from rubbish and debris. Receptacles for the purpose of disposing of rubbish and debris shall be provided to prevent scatter of debris and rubbish.
- 14- No person shall keep or permit to be kept in any part of a yard any excavation, storage or piling of materials required during the construction stage unless all necessary safety measures are undertaken. The owner of such materials or excavation must assume full responsibility to ensure the situation does not prevail any longer than reasonably necessary to complete a particular stage of construction.
- 15- Applicant is responsible for grading the site of the proposed development to the design lot grades and direction(s) of drainage and for ensuring that surface runoff water does not discharge from the site to an adjacent property.
- 16- Applicant is responsible for adjusting the final building elevation to match the design lot swale grades.
- 17- The applicant is responsible for designing and constructing a building foundation drainage system adequate for the existing soil conditions.
- 18- The applicant is responsible for determining if there are any special considerations required for building foundation construction.

### **NOTE:**

1. *The issuance of a Development Permit in accordance with the notice of decision is subject to the condition that it does not become effective until twenty-nine (29) days after the date of the order, decisions or development permit is issued.*
2. *The Land Use Bylaw provides that any person claiming to be affected by a decision of the Development Officer may appeal to the Development Appeal Board by serving written notice of appeal to the Clerk of the Subdivision and Development Appeal Board within twenty-one (21) days after notice of the decision is given.*
3. *A permit issued in accordance with the notice of the decision is valid for a period of twelve (12) months from the date of issue. If at the expiry of this period, the development has not been commenced or carried out with reasonable diligence, this permit shall be null and void.*

### **IMPORTANT NOTES**

1. *Any development proceeded with prior to the expiry of the appeal period is done solely at the risk of the Applicant even though an application for Development has been approved and a Development Permit has been issued. The period allowed for an appeal to be filed is twenty-one (21) days after a development permit is issued.*
2. *Any person claiming to be affected by a decision regarding an application for a development permit may appeal by serving written notice to the Clerk of the Development Appeal Board within twenty-one (21) days after a development permit or notice of decision was issued.*
3. *This Development Permit is valid for a period of 12 months from the date it was issued, or the date of an approval order being granted by the Development Appeal Board. If at the expiry of this period, the development has not been commenced or carried out with reasonable diligence, the permit becomes invalid unless an extension has been granted by the Development Officer.*
4. *The applicant is reminded that compliance with this Permit requires compliance with all conditions affixed thereto.*
5. *A development permit is an authorization for development under the Land Use Bylaw; but is not an approval under any other regulations that may be applicable.*
6. *In the interest of public safety and as required by the Safety Codes Act construction projects must be covered by the appropriate permits prior to commencement of construction (Demolition, Building, Electrical, Gas, Plumbing, Private Sewage, and Water). The issuance of these permits is under the jurisdiction of Agencies Authorized by Alberta Municipal Affairs to Issue Permits and Provide Compliance Monitoring.*
