Email: info@onoway.ca
www.onoway.ca

Office Hours: 9:00 am to 4:00 pm
Monday through Friday

UTILITIES

WATER & SEWER

Most homes in Onoway are connected to the Municipal water and sewer system. The Water pump house is supplied water by WILD Water and is tested and monitored according to Provincial regulations. The sewage is piped to the sewage lagoon northeast of Onoway, along Highway 37.

Utility customers are issued bills every month which are due by the last working day of each month after which a 3.5% penalty is levied. All costs for water, sewer, and garbage are charged on the utility bill. No costs are charged in the property taxes. For system charges on other meter sizes – please contact town office.

SOLID WASTE

Solid Waste is picked up every Tuesday, except during holidays. Each property is assigned a 65-gallon cart with a charge of \$16.40 per month. Garbage must be secured in bags or boxes and placed in the garbage cart that must be placed on the street no earlier than 5:00 pm Monday for collection starting at 7:00 am on Tuesday. Once collected, please remove cart from collection point as soon as possible, no later than 7:00 am Wednesday. If you wish to haul your own garbage it must be transported to the Highway 43 East Waste Commission located 55228 Range Road 35, where there is a charge of \$57.50 per ton. Please contact the Main Landfill Site at 780-967-3466 regarding specific disposal questions. The transfer station situated just north of Town is a County facility for County Residents only. If you choose to haul your own garbage, you are NOT exempt from the monthly disposal charge.

Businesses unable to dispose of waste in the garbage cart are required to rent a commercial bin from a local service provider.

ORGANICS

Organics are collected every Tuesday from May to October in the 96 gallon cart labelled organics which is also assigned to each property. Organic materials are: biodegradable items, coffee grinds, yard clippings. Place materials directly in cart – NO bags.

Please place your trash cart & organics cart at least 4 feet apart at your pickup point.

CURBSIDE RECYCLING

A weekly curbside recycling program is operated by Standstone Waste & Water Services Ltd. Residential customers will see a recycle fee charge of \$3.22 on the monthly utility bill. Please place items in clear recycle bags, or in a box, bundle and place on the front curb by 7:00 am on Tuesdays. Acceptable items include: mixed paper & boxboard, newspaper, and clean mixed containers with no lids.

DO NOT INCLUDE: Glass, Styrofoam, soiled paper, plastic, lids, diapers, ceramic, scrap metal or wood, food or yard waste. NO sharp objects.

BUSINESS LICENSE

As part of a regional initiative with Lac Ste Anne County with respect to economic development the Town of Onoway has implemented an annual business license requirement starting in 2019. Visit www.onoway.ca for more information. Check out <http://open.shopthecounty.ca> and register your business and get noticed.

BYLAW ENFORCEMENT

ANIMAL CONTROL

The maximum number of pets per household in Onoway is two of any kind (2 cats & 2 dogs & 2 birds etc.). No farm animals are allowed except on farms located within the Town. Horses may not be ridden in Onoway except for special events which receive prior approval from Council.

	Spayed	Natural
Dog	\$50	\$100
Cat	\$50	\$100

The fine for unlicensed dogs is \$100. For dogs running at large, excessive barking or having more than 2 pets can contact the Community Peace Officer at 866-880-5722 to register a complaint.

SIDEWALK CLEARING

The Town of Onoway requires snow and ice to be removed from sidewalks within 48 hours of a

snowfall. If sidewalks are not cleared, the bylaw officer will fine the resident and arrange for the cleaning (if not cleared within specific time) and the cost will be billed to you.

GRASS CUTTING

Residents and owners of all properties are encouraged to keep their properties maintained. Grass must not be longer than 8 inches in height. Failure to keep grass cut will result in the Bylaw Officer giving you a fine and then making arrangements for the grass to be cut (if you do not cut within specific time) and the cost will be billed to you.

DEVELOPMENT PERMITS

Everyone who puts up a sign, a deck, a garage, a shed, a house or opens a new business or in any way modifies an existing building, must apply for a Development Permit and receive approval from the Development Officer. If a change of property use or zoning is desired an Application for Amendment to the Land Use Bylaw must be completed and approved.

The Development Agency for the Town of Onoway is:

Tony Sonnleitner – Development Officer
Box 2945, Stony Plain, AB T7Z 1Y4
Phone: 780-718-5479
Fax: 866-363-3342
Email pcml@telusplanet.net

Please contact Tony directly for fees & information. Forms are available at the Town Office or on our website.

PERMITS

As required by Provincial regulation, permits must be obtained for construction or any trades work done for electrical, gas, or plumbing. Permits are available through

Inspections Group Inc.
Phone: 780-454-5048

Forms are available online at www.onoway.ca. Remember to call Alberta One-Call at 1-800-242-3447 prior to disturbing the ground.
