MESSAGE FROM MAYOR LENARD KWASNY

Yes, the fall season is upon us, harvesting equipment is out in the fields, summer vacationers have returned and children are back in school. On that note, let us pay special attention to our driving when in school zones as many of the children will still be in vacation mode and may not be fully attentive.

August witnessed a very special occasion, the celebration of Ruth Schultz's 100th birthday - a long time resident of Onoway. Deputy Mayor Lisa Johnson attended the celebration on behalf of council, thank you Lisa. The event was well attended.

Onoway has hired a new CAO and a formal announcement will be made once the details are finalized.

August also saw the passing of a local resident and former councillor Bob Lehman. Our condolences to his family and friends.

Upcoming events include Make The Connection on September 10 and the Harvest Festival September 17 to mention a couple. Watch the local media for other events that are being planned.
