## **MESSAGE FROM MAYOR LENARD KWASNY**

Are we really in the spring season, OH wait, this is Alberta and not at all surprising. I'm sure the farmers are enjoying the extra moisture as well as the fire fighters.

The Economic Development and Tourism Committee now has 3 members at large. We are hoping to have one high-school student join the Committee and are taking submissions from young people who are interested. Please contact the Town office.

The FCSS Committee is formed and will be meeting soon to discuss the allocation of grants to organizations in our community that have applied in round one.

A new development has been approved in the industrial park for a production brewery.

The financial audit has been completed and will be presented to council at the April 24, 2025 regular council meeting. Final approval of the 2025 Budget will be completed by the end of April.

As we are moving into the Easter Season, I would like to wish everyone a Happy and enjoyable Easter.

Stay Safe

Len
