MESSAGE FROM MAYOR LENARD KWASNY

Well, the month started out with some incredibly hot days, I hope you stayed hydrated and wore your sunscreen. In a few months we would gladly accept this weather when the winter winds begin to blow.

The summer months are usually quiet for all of Council, with only one meeting a month and most committee meetings postponed to September.

However, Administration and Public Works become quite busy keeping up with day-to-day work while trying to give staff an opportunity to work in some vacations and time off.

Can you believe it that a year has gone by since Canadian Fiber had started fiber installation in Onoway. I've heard many positive comments from residents and businesses about the great improvement we are experiencing with high-speed internet. I personally am very happy with the service; it was long overdue.

Road repairs and grass cutting continue to be a priority for public works. Line painting has begun and will be completed once the road repairs are complete. Don't the flowers in the hanging baskets and planters look great? We can thank our summer students for doing a great job in looking after them.

There are a couple of housing projects starting and we hope to see a few more soon. It is one of Council's main priorities.

On August 16th, 2025, the Onoway District Agricultural Society is having a Farmers Market in conjunction with a Car Show and Shine. Take advantage of this event and take the opportunity to examine some of the cars of the past.

I hope everyone enjoyed the August long weekend! Enjoy this warm weather, take in some R&R, and stay safe.
