MESSAGE FROM MAYOR LENARD KWASNY

Well fall is officially here with all the amazing colors and the smell of harvest in the air.

Election 2025 is around the corner with 9 candidates running for 5 Council positions in the Town of Onoway. It is great to see that people are following municipal politics and are prepared to take the time to serve our community. New faces and ideas are always welcome. There are opportunities to meet candidates as well as scheduled forums being organized so keep an eye on the media.

An Organizational meeting of the new elected council will be held in the first week of November, as it is now mandatory for all elected officials to have training in Muni's 101 prior to being sworn into office. Muni's 101 is a course that explains the roles of an elected office, rules that are to be followed, code of ethics as well as relationships with town staff.

Preliminary budgeting has begun, and our administrative team is working hard, as always trying to balance revenue to most needed work and capital improvements. I don't envy their job.

We just recognized Truth and Reconciliation Day on September the 30th and are grateful to be living on First Nations Treaty 6 territory.

Thanksgiving is coming up with an opportunity to meet with family and friends and be thankful for living in a beautiful country of freedom.

Halloween for kids on October 31, and a Halloween Spooktacular for adults on November 1, 2025. These functions are being held at the Community Hall. See you all there.

Last day for Organics pick-up is October 28.

That is all for now, see you at the polls, and please do go and vote, the future of Onoway lies in your hands.
