Onoway Public Library Update

The Onoway Public Library has undergone some restructuring and reorganization in 2019. While the hours of operation of our public library were reduced from mid May to mid June, we are pleased to advise that the library hours of operation will resume to basically the same hours as prior to May 2019. These hours will be in effect for the remainder of 2019, and discussions as to 2020 operation will take place in the fall of 2019. To sustain and enhance the operation of our library, and the services that they provide, the OPL is still looking for and accepting community help (whether that be volunteers to help out at the library, volunteers to run a fundraising event, or a straight cash donation). Please contact the Town office for more information.

MESSAGE FROM MAYOR JUDY TRACY

Wow! June has been a busy month, not only for myself but for the Town as well.

Heritage days weekend saw a lot of people come out to take in the events, even though the weather was less than favorable.

Onoway has become a great place to stop and fuel up motorbikes, and riders as they brave the uncertain weather for their weekend rides. Many of these rides are for awareness and fundraising.

Speaking of fundraising, what a fantastic turnout at the Legion on Friday, June 21st, for the Library! I don't have exact numbers but it was wall to wall people. The food was wonderful and the entertainment spectacular! Good job to everyone involved including the community that came out in support of your public library.

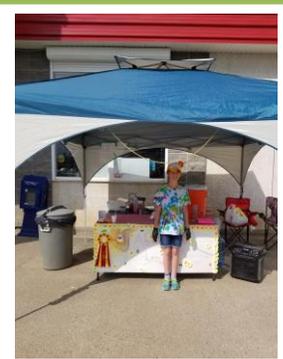

Did you know that June 22nd was National Lemonade Day? Onoway and Community Futures Yellowhead East worked collaboratively to assist some enthusiastic entrepreneurs start up their own businesses! If you had a chance to purchase any of the lemonade you will have helped these young business owners learn what it takes to start up a business. They also had to make a donation to a charity of their choice, which I am happy to say that they chose the Onoway Public Library!! I look forward to having many more Lemonade stands next year!

Congratulations to the 2019 Grads! We are so proud of you!

THANK YOU

What can we say but a huge "THANK YOU" to everyone who attended our Legion dinner and silent auction. It was an overwhelming success! A very special thank you to the Onoway Legion, especially Larry, Carol and Lorne for all their extra help and to Competition Chevrolet and C & J Vanco Services for sponsoring the meal. So much appreciation goes to our talented chef for the night, Lynne Tonita and her crew for the delicious meal, and dealing with all us rookies. Also we cannot thank SANG enough for the donation of the beautiful BBQ that we raffled, your generosity to the community is unprecedented. Our special guest of the night Todd Butler you rocked the room with your talent, thank for sharing it with

We would like to extend a very big "thank you" to Tyse Steinkey from Tyse's Lemonade and Shayla Toma from Abstract Lemonade. These two young entrepreneurs participated in the National Lemonade Day program. The program teaches participants the power of entrepreneurship. They are required to share, save and spend the proceeds from their sales. Both Tyse & Shayla choose the library as their share option. Tyse raised \$100.00 and Shayla raised \$310.00 (from sales and donations) for the library. That is absolutely outstanding and we commend them both on doing such a great job.

Line Painting

Through the months of July and August Public Works will be performing routine line painting throughout Town. Please watch for parking restrictions and our staff working on the roadways.
